

How to Find Us

From M6 Northbound or Southbound

Exit at Junction 6 – A38 Birmingham Central

You will come onto the Aston Expressway (A38 (M)), where you should follow signs for the City Centre. Continue for about a mile, where you will see "End of Motorway" sign.

After this take the right fork over the (Lancaster Circus) flyover. You are now on the inner ring road.

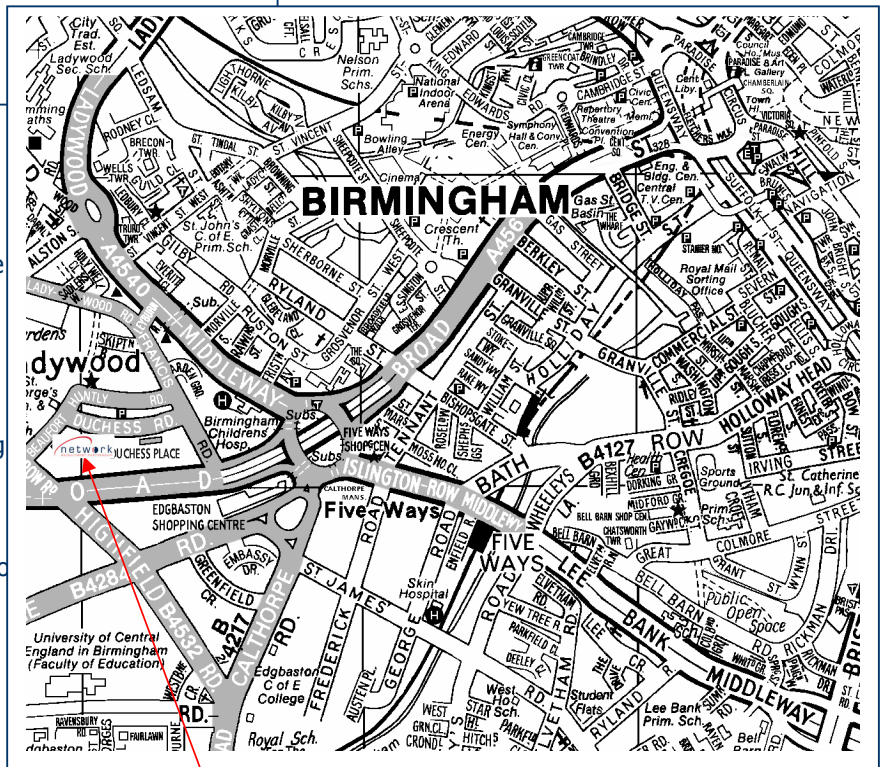

Carry on under the first tunnel. (This will take you under the first roundabout - St Chad's Circus.)

As you come out of the first tunnel bear to the left, go straight through the next set of traffic lights, so that you come to Paradise Circus (this is the second roundabout.) Take the second exit at Paradise Circus, which will bring you onto **Broad Street**.

At the end of Broad Street you will need to go under the tunnel, which takes you under Five Ways roundabout. This is the beginning of the Hagley Road.

Stay in the right hand lane. Go straight ahead at the next set of traffic lights, then do a U-turn at the next available 'turning' point in the central reservation, so that you are now driving in the opposite direction.

Go straight over the lights again. Network House is on the left hand side just after The Plough and Harrow
